

## Directions to Our Office - The Quad at Cross Keys

### Driving & Parking:

- Put our address “2 Hamill Road, Suite 300 Baltimore MD 21210” into Google Maps for accurate driving directions and the most direct route to the parking lots.
- Enter through the **South Gate on Falls Road** (not the main Gate House near the shops and restaurants). If you do enter through the main gate, bear to the left and follow signs to “Offices” or “The Quad.”

### South Gate Photo:

- The Quad is a large red brick building, south of the restaurants and shops at Cross Keys. It is the southernmost building, next to the Poly-Western football field.
- Two free parking lots are available on the north and south sides of The Quad. You may park in either lot.

### Finding Our Suite:

- Look for the part of the building labeled “**East**” or “**Center.**” The building is one large, H-shaped structure. You can actually enter at any door.
- Take any elevator or staircase to the **3rd floor**.
- Follow the numbered suite signs to **Suite 300**. We are at the very end of a long hallway.
- **Need help?** Call **443-835-1268** if you get lost in the building and we can direct you
